

**Sponsored Project Financial Account Setup: New Award Screen Flow**

To view screen flow without the corresponding process flow steps, turn off visibility of "Process Flow" layer.

- Metrics:
- Time spent in general Intake queue
  - Time spent in Setup person's queue
  - Time spent in each transaction state
  - Time spent completing entire transaction from initiating it to issuing the NOA
  - Number completed transactions per setup person (monthly?)
  - Total number transactions completed (monthly?)
  - Number of Early PTAs completed (monthly?)
